AMENDMENT

Sir:

This is in response to the Office Action mailed 9/1/99  
(Paper no. 5) in regard to the above-identified patent  
application. Please amend the application as follows:

IN THE CLAIMS:

Please amend the Claims as indicated below:

8. (Amended) A method of transferring electronic calendar  
data between a first device and a second device, the second  
device being remote from the first device, and both the first  
and second device being one of a mobile station capable of  
communicating over a mobile communications network, and of a  
computer capable of being connected to the mobile  
communication network, the method comprising:

transmitting a calendar reservation from the first  
device to the second device via at least one mobile
